SUMMER READING & BEANSTACK

Join us for our Summer Reading Program. For every 30 minutes you read (or are read to), you earn a point toward completion. You can also earn points by completing suggested activities, such as visiting a farmers market, volunteering in the community, or attending a library event. You can either use a paper log to keep track of your progress or log your reading and activities online through Beanstack.

Once you earn 20 points on Beanstack or return your paper log to the library between July 5 and August 5, you'll be entered into our prize drawing! For all ages; only one entry is allowed per reader

To get started with Beanstack scan the code below or visit <https://tmcpl.beanstack.org>
