

APRIL 2025

SUN	SCIENCE MONDAY	TECHNOLOGY TUESDAY	ENGINEERING WEDNESDAY	ART THURSDAY	MATH FRIDAY	SAT
Read: <i>The Stories of the Mona Lisa</i> by Piotr Barsony	Draw and label the parts of a human body.	1 Build and test multiple paper airplanes to see what the best design is.	2 Design your own bridge and test how much weight it can support.	3 Paint your own version of the Mona Lisa.	4 Draw geometric shapes with 4 lines, 5 lines, 6 lines. See how high you can go!	5 
6 Read: <i>Have You Ever Seen a Flower?</i> By Shawn Harris	7 Find a white flower and put it in a vase with food coloring and water. See what happens to the petals!	8 Germination Jar: Fill a glass jar with damp paper towels with seeds. Watch them begin to sprout roots!	9 Pack together dirt, clay, and wildflower seeds to make a seed ball! Throw anywhere you want to see flowers.	10 Press a flower: Pick a flower and lay it between the pages of a thick book to dry.	11 Count how many different flowers you see this spring!	12 
13 Read: <i>The Artist and Me</i> by Shane Peacock	14 Pay attention to the colors in the world around you for a full day.	15 Watch "Van Gogh's art comes to life" by The Straits Times on YouTube.	16 Make as many paper stars as you can with different types of paper.	17 Paint a picture outside.	18 Explore symmetry: put paint on one side of a piece of paper and fold it in half before it dries. Open it to see what you created!	19 
20 Read: <i>The Tale of Peter Rabbit</i> by Beatrix Potter	21 Label all the parts of a bunny.	22 Watch "30 Minutes of Animals Who Love Their High-Tech Humans" by Dodo Kids on YouTube.	23 Design a rabbit burrow out of materials around your house. Include emergency exits and nesting areas.	24 Make a rabbit out of cotton balls.	25 Flemish Giant rabbits weigh 15 pounds. Find other things that weigh 15 pounds.	26 
27 Read: <i>The Oddball Book of Armadillos</i> by Elizabeth Shreeve	28 Research animals and bugs that have hard shells like an armadillo.	29 Watch "Armadillos: Animals with Armor" by SciShow Kids on YouTube	30 Build an armadillo shell for yourself out of cardboard.	Create a desert diorama out of a shoebox.	Find pictures of different types of armadillos and count how many bands they have.	
Discover the power of STEAM education! TMCPL's suggested reading and activities combine fun with learning, promoting early literacy, self-esteem, critical thinking, and creativity in children.
