READY?

Are you ready to take on a reading challenge or help a young reader in your life?

Create your own summer reading challenge to fit your reading style or ability. We know that everyone sets their own pace, and we want this challenge to work for YOU! Please adjust the level of activity to suit your comfort. If reading for 20 minutes feels too easy, set a goal to read for 60 minutes each day! The goal is to challenge yourself, have fun, and enjoy reading this summer!

YOU DID IT! Now what?

July 25-August 1

Visit TMCPL or a branch to claim your completion prize and be entered in a drawing for a **Challenge PRIZE!** If you complete the reading challenge using Beanstack just show us your badge to claim a completion prize that week.
